FIRMS ASK FOR FIRE ALARM BOX

A recommendation by Fire Chief Lemoine, and an application from the Metropolitan Match company, the Stauffer Chemical Co., the United Phosphate company and the McWhite company of the West Side manufacturing district, for a fire alarm box to be located at Bay avenue and the Southern Pacific track, received by the council last night was referred to the light and fire committee with instructions to report next Monday.

As the above mentioned companies are large taxpayers and as he looked into the proposition thoroughly, Councilman Lane recommended that a box be located in the desired location.

To Haul City's Garbage Out To Sea After Thi

The refusal of the Blake Brothers quarry owners of the north and of the city, on whose property the city garbage has been dumped for several years past, to allow garbage to continue being dumped there, brings the city face to face with a very serious

condition of affairs, which must be speedily and effectively remedied was the statement made by City Health Commissioner Dr. C. R. Black to the council last night. The councilmen all concurred that the city garbage should be hauled twenty miles out to sea.

Thieves, as yet at liberty, took two suits of clothing, a valuable camera and a gold watch from two rooms in the Colonial Hotel, Washington and Cottage avenue, Saturday night. The property belonged to J. Mulligan and L. Larsen.

Three strong contenders are now in the field for appointment to the position of Police Judge. A request that the application of A. Odell, police west side resident, be withdrawn, was received from Odell, and three other applications were received from C. A. Odell, the attorney; Daniel Barton, the real estate man, and Ed Hasey.

Police Judge William Lindsey denies reports that he is being circulated stating that he has resigned from the position, and states that he is in line for reappointment.

The appointment will be made by the city council next Monday night.

YOUR LOYALTY.

The Daily News, the voice of the working people of this great industrial center, is at the present time in a stronger position than ever before.

It is the one morning paper of the east bay section. And it has at last been recognized as THE ONE advertising medium of Richmond. Local merchants have experimented with all the papers to find which paper has the strongest "pull." And they have found that the Daily News produces more than TWICE the results of the other papers.

Outside advertisers have made the same discovery. That is why they continue to advertise in the Daily News.

On results is built the REPUTATION of a newspaper. The REPUTATION of the Richmond Daily News is an enviable one.

To build such a reputation is not the work of a day or a week—and seldom—a year. The Daily News has won that reputation. Rather, the loyal readers of the Daily News, the workers of Richmond, who, insulted and maligned by the other papers, owned by the enemies of labor, established the Daily News, have won it.

In the near future the Daily News will be enlarged. The circulation is growing every day and, according to all indications, will continue to grow.

In plain words, all the Daily News needs is the continued and undivided support of the working people to grow stronger and better every day.

Though we have said it many times before—Just remember the attitude of the local press before YOUR paper came into the field. You remember it, no doubt. But we all need to be REMINDED at times.

To a great extent the arrest of the editor of the Daily News and prominent union men has served to remind the workers of what conditions would be if only hostile newspapers were printed in Richmond.

You NEED the Daily News. While possessing the advantage of a FAIR BREAK in the press don't grow over confident. Make the FAIR paper STRONGER.

That is in YOUR hands. This paper is not controlled by a corporation that must make huge profits by exploiting you. It is YOUR paper and its profits are your profits.

It deserves more than just your subscription. It deserves your LOYALTY.

FAKERS.

To the credit of the National Association of Newspaper Correspondents, be it said that it is formally arraigning the "fake" news correspondent, and it has begun to publish in its official journal an exposure of the methods to which some correspondents and news editors resort in the effort to make a circulation based on appetite for the sensational. The association makes a standing offer of its services to run down and to prosecute offenders. Its object is dual: to eliminate the "fakers" and to improve the reputation of a group of journalists who at best have a maximum of responsibility with a minimum of public recognition. Not until there is approximately as much solicitude by the reading public as to the integrity of its journalists as there is for the purity of food and drink consumed by the masses will the sensational newspapers come properly under the ban of public opinion.

CLEANSING THE UNIFORM.

The disgraced, discredited, de-
bauched, disreputable and demoral-
ized Colorado national guard received
"due recognition" when the War
Department at Washington ordered
twelve companies of militia dropped
from the list of those recognized by
the government and announced that
a similar order covering the two state
artillery batteries would probably be
issued next week. This action is
taken upon the recommendation of
War Department inspectors, and a
very much embarrassed Governor
George A. Carlson and Adjutant Gen-
eral John Chase, who stated as re-
cently as last week that the state mi-
litia was in a "satisfactory condi-
tion."

This blow can be appreciated when
it is realized that General Chase will
no longer be permitted to draw on
the \$4,000,000 government appro-
priation for the Colorado national
guard, and that nearly half a million
dollars' worth of regular army equip-
ment will have to be given up. It is
one more incident to prove the
charges made by laboring men that
the state militia is rotten and corrupt
to the core and has been a rank dis-
grace to the soldier's uniform.
A report is current that Governor

Carlson will further stultify himself
and the state by reappointing Chase
as adjutant general at a "reinducti-
on of his inefficiency" and then permit
him to write an official resignation.
In this way everything done by the
"Huerta" general in the Colorado
coal strike, even to riding down and
sabotaging defenseless women and
children in the streets of Trinidad,
and breaking a gunstock over the
heads of unarmed miners in the low
tent colony, is to be officially
sanctioned. This has been demanded
of the governor by the coal operators,
whose puppet he is, and he dare not
refuse.

It is gratifying, however, to know
that the United States War Depart-
ment has determined to wash its
"militia" mess.—Denver Labor Bulle-
tin.

BIG LAUGH IS MR. C. CHAPLIN

It's the biggest laugh Oakland has
ever had. It begins with a snicker—
then comes a giggle—and then a
continuous laugh that makes the
nervous system glow and leaves great
crowds breathless, but happy.

This laugh is at the Oakland Pa-
tentes.
Vaudeville and comedy go hand
in hand always at the Patentes—
but this week sees something far differ-
ent than the usual run of things. The
laugh hunted up all the funny peo-
ple in vaudeville, and put them to-
gether in one mammoth conglomera-
tion of mirth.

Chaplin, the comedian, is making
films here, with a cl-ir
company, including some of his most
famous associates. The little com-
edian, with his cane and baggy pants,
will be on the Oakland streets daily
for a week. He played a comedy
yesterday at Twelfth and Broadway,
one in the Patentes Lobby, and to-
day is making films in the Oakland
Fourth of July parade. And—just
to make expenses and oblige Manager
Patentes, who uses hundreds of his
films, he's appearing in person on
the Patentes stage tomorrow times
with Ed Armstrong's players, and
showing how films are made. Every
moment's a scream. He's even fun-
nier in real life than on the films.

LABOR NOTES OF COUNTRY

A Canadian Injunction.
At Hamilton, Ont., officers of the
Musicians' Union have been served
with a temporary injunction because
of a strike against a theater in that
city. The court dismissed an in-
junction against the union on the
ground that it was not incorporated.
The same result was attained, how-
ever, by enjoining the officers.

Demand Trial by Jury.
Richard H. Curran, a member of
the Iron Molders' Union and a dele-
gate to the New York constitutional
convention, has introduced many of
the amendments agreed to by the
recent conference of organized work-
ers in Albany. Among them is one
providing that "a person charged
with the commission of any crime or
offense which may be punishable by
imprisonment, including contempt of
court, shall also have a trial by jury
upon demanding the same."

Alabama Convicts in Mines.
At Birmingham, Ala., the "Labor
Advocate" raises its voice against
"poor, helpless convicts, bound by the
laws of the state of Alabama and the
driving corporation guards." "The
Labor Advocate" continues: "The
treatment that all the convicts leased
to private mining companies get is
anything but humane. The curing,
the driving to abnormal exertion, the
beatings—all these things cry aloud
to us as citizens, and the smallest
measure of manhood or regard for
decency demands that we abolish it,
and do it speedily."

Arbitration Chosen.
Chicago organized street car em-
ployes have chosen Maclay Hoyne,
state's attorney of Cook county, to
represent them on the board that will
arbitrate the matters in dispute with
the elevated and surface car com-
panies, and which caused the two
day's strike recently. The com-
panies have selected James M. Shee-
han, who was attorney for the west-
ern railroads in the recent arbitration
of the wage demands of engineers
and firemen. Mayor Thompson of
Chicago will be the third man on the
board. President Mahon of the
Amalgamated Street Car Men's Union
will act as attorney for the car
men.

Italian Seamen Ask More.
Italian seamen are demanding a
betterment of working surroundings,
and insist on higher wages because
of war conditions, which has made
rich business for the vessel owners,
who, in many cases, are now making
profits, the workers claim, to the
amount of 100 per cent. The seamen
first asked that their demands be con-
sidered by an arbitration court, but
this was refused. The owners stated
that they would enter into direct ne-
gotiations providing the union's sec-
retary did not take part. This official
quickly stepped aside, much to the
surprise of the owners who contin-
ued their policy of delay. The men
were finally compelled to strike.

Union's Law Sustained.
At New Haven, Conn., on the order
of Judge Simpson, a jury rendered a
verdict in favor of the Cogarmaker's
Union in the case of a member who
attempted to be placed on the unem-
ployed waiting list while traveling
without first securing a regular trav-
eling or clearance card. The union
was sued for \$500 damages on the
ground that the member was com-
pelled to remain idle for two weeks
until he secured his card. The defend-
ant local insisted that when a man
joins the union and agrees to abide
by its rules he is not entitled to relief
if he fails to do so. This position
was upheld by Judge Simpson, who
instructed the jury to render a ver-
dict accordingly.

FORSYTH'S FAN TAN FRIDAY

Fred Forsyth's Circus will pre-
sent the second of their attractions,
"Fan Tan," a musical comedy with
eight pretty girls in the cast at both
the Lyric and Point theaters Friday
and Saturday. This is the first time
that an act of this kind has been pre-
sented in Richmond, these charming
entertainers acting in the audience
and u and down the aisles. Rich-
mond liked Fred Forsyth and his
"Country Store," and his second at-
traction is sure to be a big attrac-
tion.

NOT QUITTING BUSINESS.
H. H. Turvey will not close up his
business, as was reported by Rich-
mond papers. He is merely going to
Canada with his family for the sum-
mer vacation.

G. G. Joyce, Santa Fe conductor, is
at the Morton hospital in San Fran-
cisco suffering with stomach trouble.
He is to be operated on.

Mrs. E. W. Sanborn of Visalia, who
was a visitor at the home of her sis-
ter, Mrs. J. E. Watson, left yesterday
for Visalia.

JULY 8 BOUT IS BEST YET

There will be a action every minute
from the start to the finish of the big
boxing show Kirby Floyd will give
at his mammoth Eighth-street pay-
lion on Thursday night. There may
not be so much cleverness, but there
will be plenty of milt slinging and
rooting, which is just what the fight
fans of this fair burg are after.

The main event looks up like the
best main event to be staged here
since the revival of the boxing game
in Richmond. Kelsey, the champion
of the welter and the middle, will
battle with Frank Waldorf of Ala-
meda, one of the toughest birds who
ever made an appearance here. Wal-
dorf has a good "kick" and he is
spilling for a chance to slow up Sir
Kelsey.

The special event will fill the
house, exclusive of the main event.
Kid Smiley and Manuel Perry, who
put up the most sensational mill wit-
nessed here in years, are billed for a
return engagement. All the fans in
town remember how Smiley and
Perry stood toe to toe for four
rounds. The boys have met several
times and the question of supremacy
is yet unsettled. Thursday night's
mill promises to be just as exciting
as the last one.

Matchmaker Richmond, believing
that if given a proper chance, Kid
Thompson of San Pablo can show a
lot of stuff, has signed him up with
Ivy Johnson, the conqueror of the Oc-
eana "Dutch" and Frank Brasi.
These boys are evenly matched and
should put up a glove contest that
will bring the fans to their toes.

Kid Lewis, another San Pablo boy,
who is rated as one of the fast light
feathers in this section, will box with
Kid Gomez from West Oakland. Lew-
is has a lot of stuff, once he gets
warmed up in there, and he is picked
as a favorite by the most of the Rich-
mond fans. San Pablo is turning out
some good boxers and out that way
in good shape.

Battling Vierra of Oakland and Ed

the fans are backing their favorite
Brown of Alameda, both local favor-
ites, are going in there to win. Both
lads are clever. Brown looks to
have the shade of the arguments, but
predictions are useless in the four-
round game. You cannot go by dope
sheet. The other fight will be be-
tween Harry Eagles of East Oakland
and Jack Hansen of West Oakland.
These boys have never appeared here,
but Henry Ross vouches for them and
claims they are good enough to get
by anywhere.

Taking it from every angle Thurs-
day night's card looks like a good
one, and it behooves all the lovers
of the boxing game to be in attend-
ance.

LEVITT ADMITS MISTAKE: TRIES TO SIGN TYLER

Baseball is a sport that is supposed
to be devoid of crookedness, but there
are more peculiar deals pulled off by
the magnates of the national game
than any other sport, not excluding
horse racing. The people that believe
all is fair may wait that it is because
baseball has a wider scope and is a
very different sport, but there is no
reason why anything not within cen-
sorialship should ever connect itself
with the greatest of American sports.

Several weeks ago Tyler Christian
was released as manager of the Oc-
eana club, even though Christian had
been having more success with the
"Oaks" than any manager since Oak-
land won the pennant under the wing
of that old war horse, Bud Sharpe.
It is a known fact that Jack Nees,
the hardest hitter in the league, was
tendered the vacancy, but refused
saying that Christian was succeeding
as well as any man could under the
circumstances.

Mr. and Mrs. A. Priver of Ocean
Park, Los Angeles county, are visiting
Mr. and Mrs. S. B. Kurtz. Mrs. Pri-
ver is the sister of Mrs. Kurtz.

SCHINKLE BATS AND TWIRLS
THE ELKIES TO VICTORY

Richmond was sure of winning
Sunday's game. And they did.
The only thing they were anxious
about was how well could "Oats"
Schinkel, late of the B. & O.K. of Val-
lejo, pitch for the local squad. They
found out he acted quite natural, in
the purple and white regalia of the
locals, and now everybody is happy.
Schinkel promises to be a rival of
Gordon in both batting and pitching,
for he allowed but seven hits and
two runs, and also poked out two
base hits of his own making, one for
two bags when two teammates were on.

Alfie Childs, local high school grad,
and formerly with the Elks, was
again back in uniform, making up for
Eddie Benn's absence, and Devereaux

crossed struck out. Two hits. One
run. The last of the sixth was the ex-
citing inning for the local fans, five
runs being garnered.
The locals started things in that
half of the first inning. Daniels hit
to center, and stole second. Conger
fanned. Woodbury hit, Daniels scor-
ing. Cunningham sacrificed and Devereaux
struck out. To hits. One
run.

In the third, with two down, Kav-
anagh of the Great Western hit to
center, stole second, crossing the
plate on McKee's hit to left. Callahan
out, Conger to Devereaux. Two
hits. One run.
In the glorious fifth, after Wood-
bury and Cunningham had both got
on, to be thrown out on a fast double
play, Devereaux started things by a
walk to first. Childs singled and ad-
vanced to third, Devereaux scoring,
when Catcher Crosswaite made a wild
overthrow to first. Christensen
walked, and Schinkel smashed out a
double, scoring two. Cleek hit, and
Daniels walked. On Callahan's hit
book of Conger's hit, Schinkel and
Cleek scored. Woodbury out, third
to first. Three hits. Five runs.

In the first of the ninth the visi-
tors started something, but it was
nipped in the bud, with but one addi-
tional run being put over. Ely hit
for two bags, and scored on Wah-
ber's hit past first. Reach out on a
pop fly to Schinkel. Crosswaite out.
Christensen to Devereaux. Childs
made a pretty catch behind third of
Yezell's op. Two hits. One run.

At the Alleys

Hitch, the star bowler of the Ken-
ny alleys, has issued a challenge to
either Wood or Griffin for a 15-game
series, ten to be played at the Point
alleys and five at the Seventh street
alleys, for a side bet of 10 (ten) tin
nails. Jim McGrath challenges the
winner for a 15-round setto.

J. Casey, J. McGrath and Oscar
Blair challenge any three class B
bowlers for a side encouragement of
twenty-five (did you get that) peb-
bles. The date can be settled later.

Proprietor Anderson of the Sev-
enth street alleys has announced that
he will give \$5 to the bowler break-
ing the high score. He is also giv-
ing several other valuable prizes for
this month.

NICE THINGS
FOR CUTEY AND
THE ELKIES.

"Babe" Cunningham, former Port-
land outfielder, continues to play re-
markable baseball for the Richmond
Elks, the strongest semi-pro team in
Northern California. Cunningham is
not only leading the Elks in batting,
but has not made an error in left field
this season. Eddie Benn, local in-
fielder, is batting a .320 clip.—S. F.
Bulletin.

APPLE GROWERS
HAVE MUCH
BETTER FRAMWORK

With the release of "Crosses"
Crosby and the signing of Jim Nel-
son, the Sebastopol team has made a
wonderful improvement in their
team. Crosby was the main course
of Richmond fans becoming bored
with the town of apple orchards.
Nelson is said to be absolutely hor-
rifying, fearless, and has the neces-
sary speed to view every play from
the proper angle. His sampling at
Sebastopol Sunday was said to be
well high perfect.

EGGS PRIZE ON
TALLORED PRODUCERS
OF AMBROSIO

With Artie Benham all present, the
Petaluma Pats found the Ambrosio
Tailors easy Sunday. Five to one
was the score of the game, which though
they only made two hits, the five tal-
lers were made possible by six er-
rors made by the Tailors.

JOE SOLAR'S
DISHWASHERS
GET DEFECT

"Ignorance is Bliss."
With the apple town team rid of
Roy Bliss, some real hurling is being
seen by the "hum tun" fans at Se-
bastopol. Sunday Kremer held the
former San Francisco State Leaguers
to a 3 to 2 score and had the long
end for their own.

Mitchell of the defunct Point Ath-
letes baseball team played with Tor-
may in the game against Crockett at
the latter town. He played in only
eight innings and got two hits, one
a two-bagger. The Cheek's Outlaws
or Cubs and the Winchester team
could do worse things than giving
this valuable man a chance for their
none too strong teams.

Crockett was a great game from
Torrey last Sunday at Crockett. The
game went 15 innings and was a fit-
ting climax for the three days' cele-
bration going on in that town. The
score was 4 to 3.

COAST LEAGUE

With four of the P. C. L. teams
still traveling, but one game was
played by the western big brush yester-
day. The game was in Los An-
geles and was between the Bees and
Tigers. The bob-tailed score was:

	R.	H.	E.
Salt Lake	0	5	3
Venice	9	13	1
Batteries—Pittory, Morgan and Rohrer; Piercy and Spencer.

"STOP THIEF"
AT RICHMOND

"Stop Thief," showing today and
tomorrow at the Richmond theater.
is the interesting record of a klep-
temaniac, a man who with two
deputies about to be ma'el, gets
into awful difficulties from his habit
of taking things when people's backs
are turned. The case becomes very
complicated. As the wedding ap-
proaches the gifts disappear and re-
appear in peculiar places. In the end
there are explanations and forgive-
ness. The leading roles in the play
are taken by Mary Ryan and Harry
Montayer, who are very clever com-
edians. For a good laugh there is
nothing to compare with the comedy
of the age, "Stop Thief."

Then for today's and tomorrow's
bill at the popular playhouse will be
seen the Vitaphone drama, "The Sort
of a Girl Who Came from Heaven," a
real comedy.

A drama by Selig presents the in-
teresting play, "The Great Experi-
ment," a two-reel production.

A big new bill will be presented
at the Lyric tonight, featuring J.
Warren Kerrigan and Vera Sisson in
"The Guardian of the Flocks," a ro-
mance of the hills. A two-reel win-
ner, a drama of court intrigue,
"Wheels Within Wheels," with Mur-
dock McQuarrie, can hardly be con-
sidered as secondary. A comedy all
in the same boat completes this splen-
did show. The feature for tomorrow
is Cleo Madison and Joseph King in
"Wild Irish Rose."

Miss Ruth Lent, daughter of Capt.
and Mrs. C. W. Lent, and the only
girl in California holding a captain's
license for gasoline and sailing craft,
entertained a number of friends at
her home at Point of Timber over
the Fourth.
